

Look around your yard or out your window, and work together to find the items listed. When you find something, draw your own picture of it in the box. If you don't find every one, don't worry! You can make up your own things to find too 😊

A yellow flower	A purple flower	A squirrel
Something that reminds you of a feather	Something that pollinates	A leaf smaller than your fingernail
A circle	A plant that makes a sound	A tree with flowers
Something that looks spiky	Something that smells good	A leaf bigger than your hand
Something with wings	Something you find beautiful	Something that feels soft
